

MICROSERVER TECHNICAL SPECIFICATIONS

Edesix presents a robust, all-in-one MicroServer which provides Edesix VideoManager software (VideoManager licence required), and acts as a large integrated storage solution - this allows effortless scalability of your Body Worn Camera estate.

Edesix offers two Microserver options - the 110-7 and 210-11. These models store up to 7,000 and 11,000 hours of SD recording, respectively.
